

# Creating volunteer opportunities

Help Benevity users support your cause with their time and talents by creating Volunteer Opportunities.

When people search for Volunteering Opportunities through their Benevity-powered giving site, they find relevant events based on their location, as well as their personal skills & interests. By regularly creating and publishing Volunteer Opportunities, you'll enable people interested in supporting your organization to sign-up and take part in your events.

Creating Volunteer Opportunities helps more people find, connect with and support your organization.
