At Kohl’s, we believe that, in order to live our values, we must care for the people in our communities and our planet, and we do so by measuring our performance against our Kohl’s Cares for People and Planet principles.

As a leading retailer with a nationwide footprint, we believe we have a responsibility to positively impact the future of our planet. We are committed to environmentally responsible practices throughout our value chain and maintaining compliance with all applicable laws. We are working to reduce our carbon footprint, reduce waste and recycling, and purchase materials that are sustainably sourced.

As part of our sustainability efforts, we have partnered with embedded solutions and are committed to measuring our performance against our Kohl’s Cares for People and Planet principles.

Kohl’s has monitored and reported on our sustainability efforts, and partnerships are guided by our Kohl’s Cares for People and Planet principles.

Kohl’s has provided $152+ million since the inception of the program to support programs that advance our long-standing philanthropic efforts, such as our national Volunteer Program, and hometown partnerships.

Kohl’s has donated more than $100,000,000+ since the inception of the program to support initiatives nationwide. Locally, we’ve given more than $152 million to hundreds of nonprofit organizations in communities we serve.

Kohl’s continues to strengthen its commitment to philanthropic and hometown partnerships, Kohl’s Cares for People and Planet principles.
