Dear Fellow Shareholder,

Your Company's Board of Directors has overseen a transformation of Kohl's including the development of our new strategy, which is producing positive results. Since we announced our new strategy in October 2020, we have generated clear business momentum, which has resulted in stock price appreciation of more than 200%, exceeding the S&P 500 by more than 190%.¹

Simply put, Kohl's Board, working closely with management, has acted decisively to put the Company on a new trajectory to enhance value for shareholders.

Based on the strength of our performance, your Board recently announced the reinstatement of the Company's quarterly dividend and our share repurchase program, both of which had been temporarily suspended at the outset of the COVID-19 pandemic.

Kohl's has a diverse, highly experienced Board that is actively engaged in overseeing the execution of our new strategy. Your Board is committed to ensuring company and leadership accountability for delivering growth and improved profitability.

Do not allow a group of activist hedge funds to disrupt our momentum. Please support the Board that has overseen your Company's recent outperformance by voting your **BLUE** proxy card TODAY—by telephone, over the Internet or by signing, dating and returning your enclosed **BLUE** proxy card.
