As part of Kohl's "A Community with Heart" program, Kohl's associates nominated local nonprofit organizations throughout the country that support family health & wellness

MENOMONEE FALLS, Wis., November 30, 2021 – This holiday season, [Kohl's](#) (NYSE: KSS) is giving back to those who give so much all year long by surprising more than 150 nonprofits nationwide with a total of \$8 million in grants to further each organization's unique mission. Nominated by Kohl's associates through Kohl's *A Community with Heart* program, which strives to enrich organizations dedicated to family health and wellness, the identified local nonprofits are committed to making a difference for families in local communities across the country. The donations are made possible through Kohl's philanthropic merchandise program, [Kohl's Cares®](#), which sells children's books and toys, and donates 100 percent of the net profit to charitable organizations nationwide that improve the health and wellness of families.

"At Kohl's, we understand the importance of giving back. That's why this holiday season, we are honored to celebrate these local nonprofits that generously serve their respective communities with all of their hearts," said Greg Revelle, Kohl's chief marketing officer. At Camp Good Days, participants have the opportunity to regain some of what cancer has taken away from them. This past year, Camp Good Days & Special Times experienced extreme flooding from Keuka Lake which destroyed two cabins and that now need to be taken down as they are uninhabitable. In response to this, Kohl's \$100,000 grant will help expand an existing dormitory that houses campers and volunteers to regain the living space of the two lost cabins.
