## **Kohl's Encourages Milwaukee Nonprofits to Apply for its 2021 Hometown Giving Program**

*Company to donate \$500,000 in grants to nonprofit organizations serving the Milwaukee community*

**MENOMONEE FALLS, Wis., September 2, 2021** – Starting September 6, eligible nonprofit organizations serving the Milwaukee community can apply to receive a grant through Kohl's [Hometown Giving Program](#). Kohl's will donate \$500,000 in grants to Milwaukee-area nonprofit organizations that support the community in a variety of ways. Grants will range from \$5,000 to \$50,000. The application period will run from September 6 through September 17 and recipients will be announced in early 2022.

"We're encouraging eligible nonprofits to consider applying for this year's giving program," said Tara Geiter, Kohl's director of community relations. "Our Hometown Giving Program is designed to help broaden Kohl's support of organizations that are making a difference in our community, outside of Kohl's traditional [Hometown Partnerships](#). Funding will focus on supporting a variety of initiatives, including health and wellness, social service, arts and culture, environmental sustainability, and more."

This year, Kohl's will be reviewing and looking for stand-out applications that clearly highlight the anticipated impact of funding and the issue programming will address, as well as how a nonprofit addresses disparities in diversity and inclusion - both within their organization and the populations served.

Since the inception of Kohl's Hometown Giving Program in 2017, the company has donated more than \$1.5 million to 70 different nonprofit organizations in the Milwaukee area. The donations made through Kohl's Hometown Giving Program are made possible through the company's philanthropic program, [Kohl's Cares®](#), which sells children's books and plush, donating 100 percent of the net profit to health and wellness organizations nationwide.
