Kohl's Enhances Rewards Program Nationwide with Increased 7.5% Earn Rate

Retailer enhances loyalty benefits to offer Rewards members 50% more in rewards when using their Kohl's Card

MENOMONEE FALLS, Wis., May 2, 2022 – [Kohl's](#) (NYSE: KSS) today announced the nationwide rollout of its new Kohl's Rewards program enhancement that will offer all Rewards members that use their Kohl's Card an elevated earn rate of 7.5% Kohl's Rewards on every purchase. Kohl's Rewards members also receive personalized deals and perks throughout the year, and a special birthday gift. Previously, all Kohl's Rewards members would earn 5% Kohl's Rewards, regardless of payment method, making this enhancement an exciting new benefit for the millions of Kohl's Card cardholders who are also Kohl's Rewards members.

"Customers love our simplified Kohl's Rewards program that leverages personalized offers and Kohl's Cash," said Greg Revelle, Kohl's chief marketing officer. "We partnered closely with store associates and customers to understand how we could make our benefits even more robust. Now, we're taking our industry-leading Kohl's Card to the next level by offering customers 50% more in Rewards every time they use their Kohl's Card, providing them stronger everyday value when they shop at Kohl's."

- **Earn:** Kohl's Rewards customers that use their Kohl's Card will earn 7.5% Kohl's Rewards on every purchase every day. Any Rewards member that chooses an alternate payment method will continue to receive 5% Kohl's Rewards. - **Redeem:** Customers have 30 days to use their Rewards-issued Kohl's Cash coupons.

All Rewards customers will continue to earn \$10 Kohl's Cash for every \$50 spent on qualifying purchases during Kohl's Cash promotional events to use during designated redeem periods.

Over the past year, Kohl's has been piloting the enhanced cardholder Rewards offering in more than 100 stores across eight markets and has been met with an overwhelmingly positive response from Kohl's Card cardholders earning more and getting the best value from their card on every purchase. In the pilot markets, Kohl's saw an increase in Kohl's Rewards enrollments, more Kohl's Card acquisitions and usage, and an overall sales lift. The success of the pilot program led to the company's decision to roll out the benefit to all markets nationwide.
